Dear President, *dear friend,*

Many thanks for your kind letter dated 21 July.

I was delighted to read not only about your commitment and support for developing our sport and all of its benefits, but also your request to pay a courtesy visit to FIFA's headquarters.

I am therefore pleased to confirm that we would be very happy to welcome you to the Home of FIFA in the next few weeks. Our Member Associations & Development Division will contact you shortly to arrange a date that suits both of our schedules.

I look forward to seeing you in Zurich soon and to hearing about your development programme in Iraq.

Yours sincerely,

Joseph S. Blatter
